Something feels...

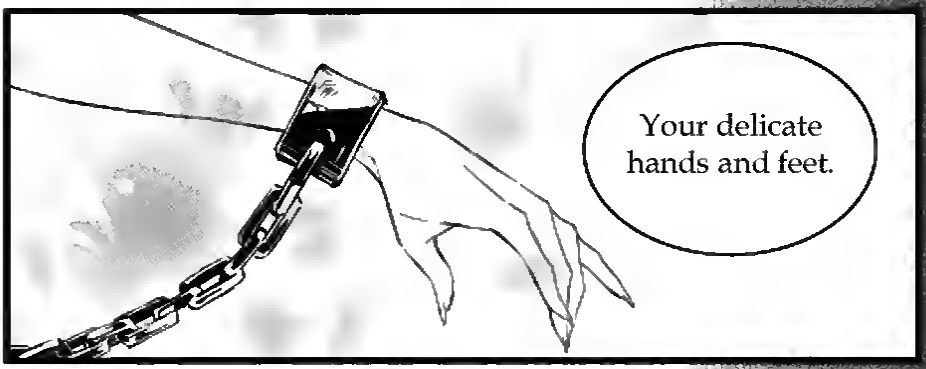
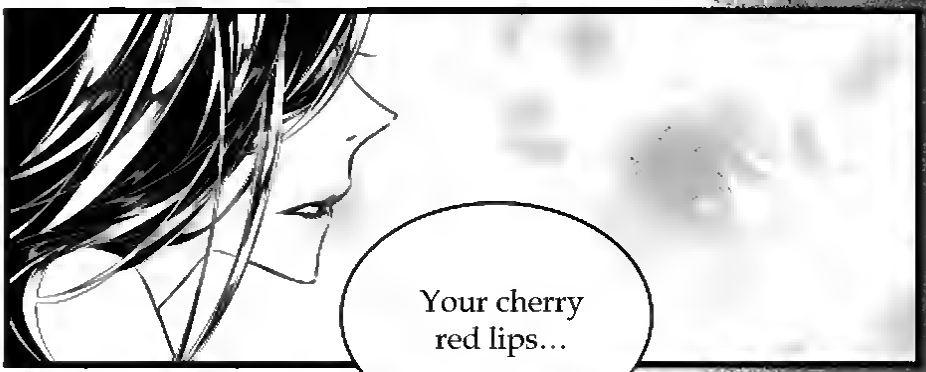
Ever since the day I first laid eyes on you
Somehow Re nervous D
I could never get you out of my mind, even while we were apart
On and on...
And then I realised my feelings for you
I
love you.



Your delicate hands and feet.

WHUMP...



Your cherry red lips...

GRRRR...

...WAIT.
ISN'T THERE SOMETHING WRONG HERE?
and your beautiful hair, swirling delicately...
GILEAM

You
GRR...
are absolute perfection.

You haven't changed at all. As beautiful as always.
HOW SO!!
You hafta be kidding me!!

Oh also, I came up with the perfect name for you.
Since you are enchanting like a 'Rose', how about it?

FSSH

GRR
Rose~♡

...Fufu, you little rascal
COUGH
Shy, aren't you.

There there~ Who's a good girl~
...Um, excuse me?

CHOMP!
Your hand is being eaten...
Ah, don't worry~
Rose is just a bit rough when it comes to showing affection.
CRUNCH
...Won't you end up dead if you keep this up?
CRACK
GWOMP

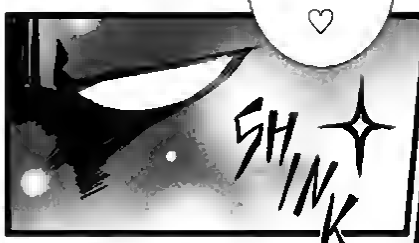
... It can't be helped.
SHWIP
YOU'LL DIE, GOD DAMMIT!!
-LET GO!!
* FRENZY GLARE
DON'T
SHOULDER THROW
GET IN MY WAY!
ERRR
...Huh?
You said it was all thanks to me, but now you throw me aside!
So this is why you don't get involved in a man and woman's... relationship.
BLOODY HELL
That little piece of

GULP
AH
It's going to chew me up...
MANO!
TENSE
I'm gonna die!!

LICK

WHIMPER
...Huh?
She's very tame, isn't she?
what?
PAT

Ooh ♡ Is that so ♡
AAAW ♡



Then me too ♡
SHINK

GRRR

BUT WHYYYYY!!
FLOMP...
As expected.
So this is the prison that I designed. Kyaa♡
That is why I told you it was
Im-pos-si-ble.

While Geron's ability
causes the user to develop affection for animals, and allows control over them as well as vision through their eyes,
ironically, the drawback is that all animals will hate the user for their ability.
'Black Wolf'
A sub-species of wolves, also known as Red Wolf, because they breathe fire when angered.
The black wolf Geron fell for has a tendency to go on rampage when aggravated by someone it dislikes, so we had a hard time capturing it thanks to Geron.
Also.
FLINCH!
That black wolf is male.
Yet, you named it 'Rose'

YOU'RE THE ONE WHO TURNED ME INTO THIS, CARVEL!!
I NEVER WANTED TO BECOME A MUTANT!
...The one who turned you into a vampire was indeed me,
however, even I couldn't have predicted that you'd become a mutant.
FAWN♡
My baby ♡
FAWN♡
My masterpiece ♡
It's a shame how things turned out.
You shouldn't abuse animals with your ability in the first place.
BUT THAT'S MY ABILITY!!
Even so... I like him.
Even if he hates me, I still like him, regardless of gender or race,
I can't hold back my feelings.

THAT'S WHY I CAN'T GIVE UP HERE.
Fwup!
Even if I die!
I WILL STAY HERE WITH ROSE!
CH OMP
... OUCH!
Even if I get bitten!!
.....

STUBBORN BASTARD...
He's acting like a kid...

...Fine.

Here, as you wish.
REALLY ??
Finally!!
However.
KLANK
...Huh?

I wish you luck living in there.
Being gnawed for a week should be enough.
FWIP
GRRR...
AAARGH!!!

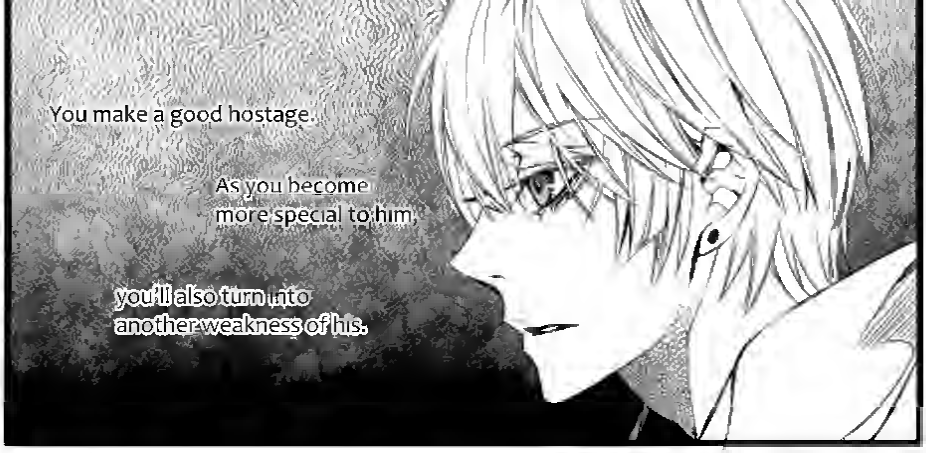
...Huh?
So, you managed to find it huh?
I thought you guys would still be lost somewhere.

I only opened the doors in order.
And Geron checked the prisoners.

He opened
all hundred doors?
With his bare hands?

...then what about closing the doors? Did you close them all properly?
Scratch...
Well...
If even a single door wasn't shut properly, and a criminal escapes...
they could release other criminals and cause a huge riot.
Uh... Well...
...I'm not too sure
Seems like
leaving quietly is out of the question.

IT'S THEM!!
THE MUTANTS
THAT LOCKED US IN HERE !!!!



You make a good hostage.
As you become more special to him,
you'll also turn into another weakness of his.

He will face trouble because of you.
THROB

I feel bad
STAP
STAP
I feel really bad
Hot Seat

SNIFF..

.. What's that smell?
I smell blood.
It must be a human.

-It's that one.
It's been a while since I've seen one. How tempting.
CHILL
So thirsty. So thirsty. So thirsty ...

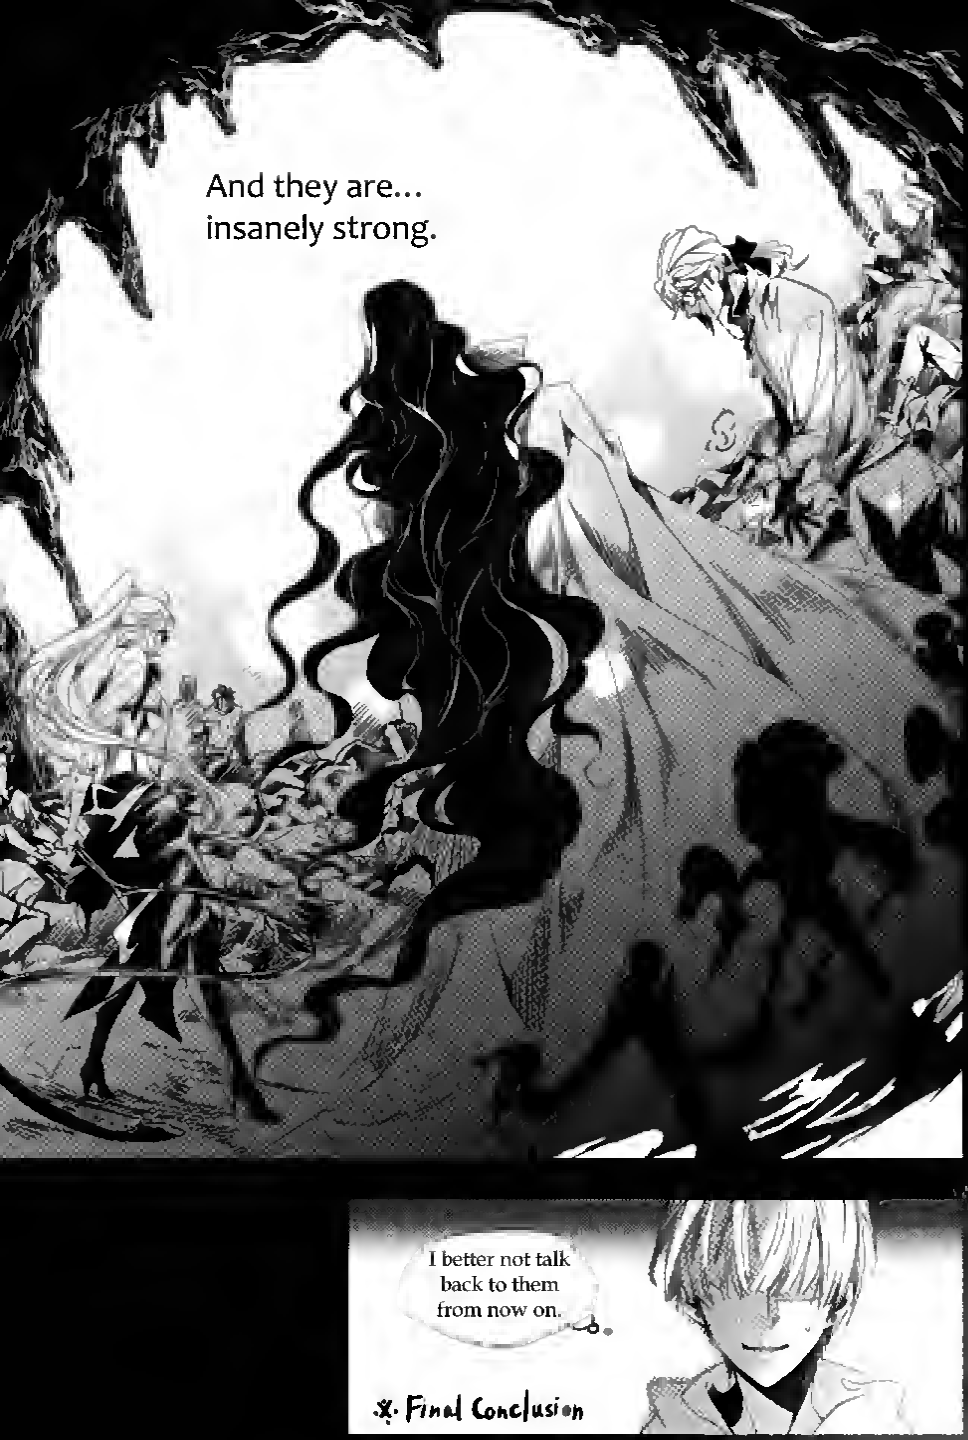
Just whose property do you think you're targeting?

You have all been captured by me once, so you should be well aware of this,
There is no second chance. Don't even dream of escaping from here successfully.
Since it will never happen.
RUMBLE...
...What do we do?
SWAYED
Don't be dissuaded!! They're only four!
We have the advantage in numbers .. but why am I scared?
DEMORALISING SPIRIT
SWAYED
No!! We can't stop here!!
THIS PRISON IS HORRIBLE! I CAN'T ENDURE IT ANYMORE!! I DON'T WANT TO GO BACK IN THERE!!
Perhaps this might end it...
JUST WHOSE MASTERPIECE DO YOU THINK YOU'RE INSULTING?
RAWR!!

YOU IMBECILE PHILISTINE, YOU CAN'T EVEN RECOGNISE TRUE ART WHEN IT'S STARING RIGHT AT YOU!
Dama it...
COME AT ME, ALL OF YOU!!!
They're about to burst!!
HA, SO YOU'RE THE ONE WHO DESIGNED THIS PRISON?!
WE WON'T FORGIVE YOU!!
YAH
KILL HER!!

Hey, did they forget about me?

absolute domination ♥



And they are...
insanely strong.
I better not talk back to them from now on.
X. Final Conclusion

...MANO!
LOOK OUT!! BE-HIND-
Gotcha.
Stay still.
FWIP
.....!!
You fools! Do it now-!!

We knew from the beginning that it'd be impossible to escape That was never our goal
We beg you,
Please-

PLEASE PUT US IN AN ORDINARY PRISON!!!
WAH T_T T_T T_T
KUH
Hands off

-and so, the superiors have concluded,
due to the cells being so questionable and torturous enough for the prisoners to throw a huge riot,
all the 1400 cells designed by Olivia are to be demolished.
NO WAY!! THEN WHAT ARE THEY SUPPOSED TO BE LIKE, HOTEL ROOMS?! PRISONERS SHOULD PAY BACK FOR THEIR CRIMES RIGHT?? MY DESIGN IS PERFECT IN THAT SENSE!!
WHAM
They all bolted out because those cells were too extreme and that defeats the original purpose.
...How mean
NONE OF YOU UNDERSTAND TRUE ART!! YOU'RE ALL IDIOTS!!
WAAAH
OLIVIA!!

Wait ??
Olivia
Seems like it ended well, phew...

...What is it?
AHEM
Well ...
So ...

... I'm sorry, in many ways.
For the incident with Geron as well...

DON'T BRING UP THAT BASTARD!!
BAM!
JU
MP

Just what happened between you two
for you to react like that...
Sly
Annoying
sure, but...
I mean, Geron doesn't seem as bad as I thought
...
It was a time of despair
when we first met.

A plague spread far and wide, people were dying from necrosis.
DRIP...
Not even animals were spared.
It's no use.
Ah...
You haven't fled yet?
Geron, a farmer's child who usually took care of sheep
was also a plague victim.

Even though everyone had already abandoned the village
Geron remained to take care of the sheep.
...Mister traveller
Just like my father, you might think I'm pathetic,
sitting here taking care of livestock while people around me are dropping dead...
But these guys only have me.
It's a shame but I don't have that much time left myself
This feeling of sadness and guilt from having to leave this child and many others behind
Is unlike anything I have ever felt before.

SWI SH
If you are willing to carry the burden of regret...
Then I will help you.
-that day,
it was a near-death experience

To think she was a girl...
for me.
I coughed up so much blood afterwards...
... so she really is a girl.
It felt strange when she hugged me
SURRENDERED
UBH.. someone take her away..
HeHe
